Faciella

Highlighting objects, surfaces and buildings – with Faciella LED the path to perfect light was never as simple. Completely different lighting tasks can be solved with a uniform design. The high-performance and energy-efficient projector is available in several construction sizes and with various luminous flux packages and beam angles for flexible use. The manually adjustable inclination angle simplifies precise targeting of the projector.

Skeo Q

The Skeo Q LED family includes square wall and ceiling luminaires, spotlights and bollard luminaires. During daylight the purist, modern shape blends harmoniously into its surroundings and sets attractive accents. At night the flexible family of luminaires displays paths and facades using high quality, energy-efficient light adapted perfectly to the framework conditions.
