Products used

Mirona Fit LED highbay luminaire

Mirona Fit LED is the perfect lighting solution for challenging industrial surroundings. Thanks to its wide range of versions it is suitable for e.g. use in warehouses and distribution halls and the heavy industry and foodstuff industry, and emits reliable, uniform, glare-free light.

E-Line NEXT LED modular continuous line

Still in the portfolio for the refurbishment and expansion of existing systems: the E-Line Fix continuous line system with trunking that has been tried and tested for many years. This ensures continuity and investment security for our customers and E-Line users - and is what the TRILUX after-sales promise stands for.
