Belviso C1 LED ceiling-recessed luminaire

The Belviso luminaire family represents high quality lighting solutions together with glare-free light and unusual lighting effects. The design of the Belviso Cassette as a pure surface is enlivened by the precisely delineated light contour. The colour-illuminated light frame is available optionally and achieves an emotional upgrading of the lighting design. Five expressive alternatives mean that room-specific or individual colour codings can be selected.

Inperla Ligra C07 LED downlight ceiling cutout Ø 210 mm
